DAY ONE
JULY 20

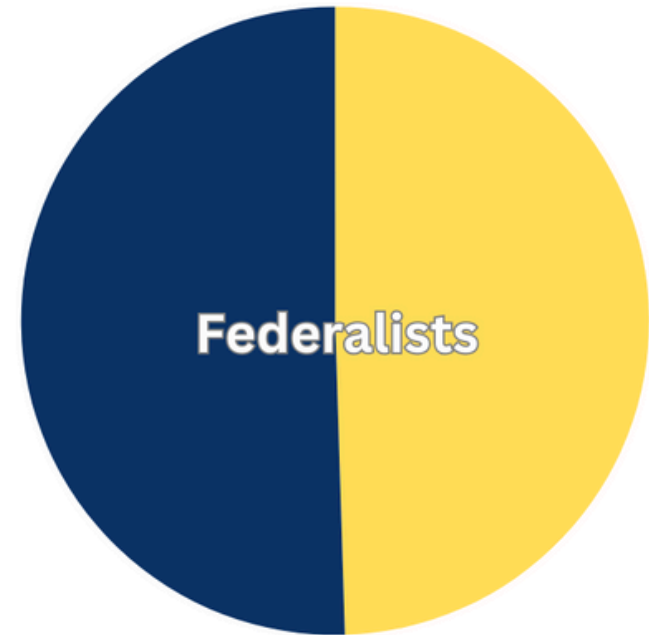

Let the adventure begin!

The excitement was visible on the senators' faces as they arrived on campus. They are ready for a full week of senate work, mixed in with fun that will lead to life-long friendships.

The Majority Party is

Opening Convocation

The senators are now official! They took the Senate Oath during Opening Convocation.

The Feds erupted in excitement when they learned they are the majority party by 51% to 50%.

Convocation included the annual poppy ceremony. Senators learned about the importance of the poppy and the ALA. Then each senator put poppies on a wreath that will be placed at the Korean War Memorial.
